3. Late payment. If fees are paid after the due date, there will be a surcharge of 2% per month added to the fees over the period from due date until actual payment is made.
4. Suspension for non-payment. If payment has not been made within four weeks of the due date, the College will require the student to be suspended from the course until fees are paid.
5. Fee increase. The College reserves the right to increase fees by giving one term’s notice of intention to do so.
6. Notification by parent or other person who has enrolled the student of termination of enrolment. Enrolments are accepted on the basis that students may be withdrawn from the College by giving one term’s written notice, or fees are to be paid for the next term in lieu of notice. All enrolments therefore are initially for a minimum of two terms. The period of enrolment continues until the end of year 13 or is terminated as above. As a guide, written notification of termination of enrolment during the calendar years 2023 and 2024 must be received by the following dates:

7. Forms. The parent is to provide any information required by the College in the normal process of teaching and education of their child in initial forms such as this one and for any subsequent request, such as change of address and contact details, on student medical issues, on study data such as examination or test results, on conduct and behaviour, and on any external educational testing such as by an educational psychologist or advisor.
8. Lunches. We expect that students should have a meal in our canteen at lunchtime, for nutritional and social reasons. A packed lunch brought from home can be eaten by the student in the currently designated room, or food obtained from nearby outlets.
9. Attendance. This must be on every day of every term, and every lesson according to the current lesson schedule that appears on the timetable.
10. Students enrolled on CAS (Student visa). Students enrolled on CAS pay the first year annually in advance at the rate of £5,700 per term (i.e. £17,100 per year) and revert to the same termly payment condition as UK students in the second and subsequent years. The annual payment of £17,100 must be made in advance of the CAS being issued. Please note that Bales College will not provide a refund of this payment if your child student or student route visa application is refused due to the submission of fraudulent or incorrect information, failure to meet UKVI's care and accommodation or maintenance requirements, or your failure to meet UKVI's "genuine student" requirement.
